For now, please include the following: (I'm waiting to hear if more OPPT managers want to attend)

- Madison Le
- David Widawsky
- Tracy Williamson
- Joel Wolfe
- Tyler Lloyd

OGC and OECA are also interested on how these meetings will be managed going forwards. I don't know that they need to attend today's meeting but we could extend it to the manager in those office to be inclusive.

That's a great idea. Let me ping our folks to see how should attend. I assume it should include Tracy Williamson (NCD), Joel Wolfe (ECRAD), David Widawsky (DGAD) + BC in DGAD.

Yes, I'd be more than HAPPY to discuss! I'd be happy to sunset these, btw, or turn them into something else more productive. They were useful at first, and still useful for me in terms of lab updates & comms/state coordination, but the BEAD lab can do that in a separate venue.

For our discussion, I think we should include Jeff, Marietta, and Mike G. Maybe we can turn this afternoon's meeting into an OCSPP Managers discussion and let the rest of the team off the hook?

Hi Kimberly,

Do you have time this week to discuss the goals and respective roles of OPP/OPPT at these weekly meetings? I've been getting feedback from the OPPT team that attends that I'd like to convey.

Are there others managers we should include, or should and I meet first, then loop others afterwards?
